Name as it appears on the card:

Please wrap your iPhone in a sturdy strip of cardboard & secure with tape, then post it to us in a padded bag using Royal Mail's 'Signed For' or 'Special' delivery.

Attn Tim Rustige.
TR Computers (repairs)
18 Queensway,
Knutsford
WA16 0NN

We keep the replacement glass digitizers in stock and your iPhone will be returned by Royal Mail's Special Delivery within 72 hours.

All repairs are fully tested and guaranteed against electrical defect for 12 months – but this excludes physical damage.

The fixed price for glass replacement is currently £69 inc. VAT. This includes parts, labour & return postage. If your iPhone also requires a replacement screen this will be an extra £39.

This offer only applies to the 3G model. We don't currently offer this service for 2G or 3GS models.

We don't take any responsibility for damage that occurs due to negligence on Royal Mail's part. All items you send in should be well protected, and you should take out adequate insurance when posting.

We also buy faulty & working iPhone 2G, 3G & 3GS models for cash.
